City in the Sky

February 8, 15 & 22 at 10PM

At any given moment, there are a million people crisscrossing the air. Explore what it takes to keep the population of a city aloft in three parts: *Departure*, *Airborne*, and *Arrival*. Meet the hidden army working to keep the "city" in the air and uncover the exceptional engineering and technology that make it work.

Africa's Great Civilizations

February 27, 28 and March 1 at 9PM

Join Henry Louis Gates, Jr. for a 6-hour, 3-part journey through time to discover the history of great kingdoms and grand civilizations that flourished across Africa. Travel to the world's oldest working library in Morocco, discover the ancient city of Great Zimbabwe, and marvel at the Meroitic Pyramids in Sudan. It's 200,000 years of African history you've never seen before.

ViewFinder: Healing Beyond Medicine

March 22 at 7PM

Examine non-traditional healing methods gaining acceptance within the medical community; explore the healing power of music and touch, the powerful bonds between patients and the animals that help them deal with daily health challenges. Plus, look into the healing powers of tai chi and jiu jitsu.

Miracles and milestones

.....
Micropreemies Bennett Figone and twin Savannah were born at just over 23 weeks to parents who'd survived a cancer diagnosis. Now these little miracles are reaching milestones and melting hearts.
