**President's MESSAGE**

If you're not able to get to one of the best views for the first total solar eclipse over the U.S. since 1979, we'll take you there! *NOVA* will be capturing the extraordinary cosmic event live and we'll air it just hours after it takes place on *Eclipse Over America*. And there are more great science programs this month, including *Farthest Voyager in Space* and *Ireland's Wild Coast*. And while there's drama in the cosmos, we have more terrestrial drama for you with the return of *Endeavour* on *MASTERPIECE*. And you'll have a front row seat to some music programs that will include ticket opportunities for live performances.

Stay tuned!

David Lowe  
 KVIE President and General Manager

## My Vietnam War Story on KVIE

These narratives are brought to you by the following local sponsors: Mansour's Oriental Gallery, Rothschild Wishek & Sands LLP, Bank of America and the National Cemetery Administration.

In March, we asked our community to share their stories of how the Vietnam War impacted them. Now, we're pleased to share some of your astonishing responses. In concert with Ken Burns' newest documentary, *The Vietnam War*, we are sharing narratives of immigration, service, and volunteerism from our region. These 14 stories will premiere online throughout the month as part of an oral history collection, available to the community. Featured interviews include:

**C. Emmett Mahle,**  
Colonel, U.S. Army

As an infantry leader shouldered with the heaviest of responsibilities, Mahle recounts the moments when soldiers must reconcile their sense of duty with the costs of war.

**Carolee GiaoUyen Tran,**  
Refugee

Tran was an 8-year-old child of a Vietnamese military officer during the fall of Saigon. Follow her family's fateful journey to seek refuge in the United States.

**Gene Hamner,**  
Captain, U.S. Air Force

Sit inside the cockpit as Hamner's aircraft is targeted by heavy anti-aircraft artillery, and experience hair-raising moments as he fights to avoid becoming a casualty in the Secret War.

You can watch these powerful testimonies and more online at [kvie.org/vietnam](http://kvie.org/vietnam). Look for Ken Burns' *The Vietnam War*, a 10-part, 18-hour documentary premiering September 17 on KVIE.

## The Great British Baking Show

### August 4 at 9PM & 10PM

The competition is down to just four bakers in the final two episodes. First, they face *Patisserie* and three different kinds of cakes. Then, it's *The Final*, where they tackle meringues, a technical challenge with only one recipe instruction and no measurements, and a showstopper more complex than anything before. Only one baker can be crowned the winner!

## NOVA: Eclipse Over America

August 21 at 9PM

Join scientists and citizens alike to observe the first total solar eclipse to traverse mainland America in a generation - just hours after it happens. Discover cutting-edge research into the solar corona and explore the storied history of eclipse science. Catch a repeat on 8/23 at 8PM, followed by *The Farthest-Voyager in Space* at 9PM, which follows NASA's Voyager mission from its launch in 1977 to its journey beyond our solar system.

## The Vietnam War

September 17-21 & 24-28 at 8PM

Ten years in the making, Ken Burns and Lynn Novick's landmark television event tells the epic story of one of the most consequential, divisive, and controversial events in American history. Visceral and immersive, *The Vietnam War* explores the human dimensions of the war through revelatory testimony of nearly 80 witnesses from all sides.

The Vietnam War is brought to you locally by Bank of America, Mansour's Oriental Rug Company, and Rothschild, Wishek & Sands LLP and National Cemetery Administration.
