## What if laughter really is the best medicine?

ACTUALLY, STUDIES SHOW IT DOES  
HAVE MANY HEALING EFFECTS.  
And when it comes to studies,  
research and medical breakthroughs,  
well, that's where we get serious.

But there's so much more to your  
health and it all starts with choosing  
the right health plan, one with  
a UC Davis doctor and direct access  
to an entire network of caring experts  
in nearly 150 medical fields.

IT MAKES ALL THE DIFFERENCE.
