Sharing Your Future Gift

Each year, many friends share with us that they have included PBS KVIE in their estate plans, which allows us the opportunity to celebrate their future generosity today. Here are three reasons why you might consider advising PBS KVIE of your future gift:

1. Inspiring Others

Estate gifts are a crucial source of continuing support and ensure PBS KVIE will make a difference for generations to come. The estimated value may count toward current fundraising goals while inspiring others to follow in your footsteps.

2. Appreciation and Recognition

Telling us that you have included PBS KVIE in your estate plans will allow us to recognize you now for your future gift by enrolling you as a member of the Legacy Circle.

As a member of the Legacy Circle, you will be invited to special events, receive the OnSix monthly programming guide, gain access to an on-demand digital library of programs on the PBS Video app with PBS KVIE Passport, and more. If you wish, you may remain anonymous as a Legacy Circle member.

3. Honoring Your Wishes

Sharing your intention with us helps PBS KVIE ensure that your wishes are met. By advising us of your intentions, you are in no way entering into a legally binding or irrevocable agreement (unless you separately enter into a binding agreement for specific reasons that you have discussed with your attorney and financial advisors). We also understand that circumstances change, and you retain the flexibility to modify your plans at any time.
