*Three thrilling dramas return September 3*

At 8PM, it’s the season 2 premiere of Professor T! The brilliant but idiosyncratic Professor Jasper Tempest helps the Greater Cambridge Police solve crimes with his unique insight and forensic analysis. This season, the professor also begins therapy to unearth more secrets from his troubled childhood.

At 9PM that same night, season 5 of Unforgotten on Masterpiece premieres. This season begins just before DCI Jessica James’ first day in her new job when there’s an unforeseen and devastating event. Despite this, Jessica is determined to make a good first impression on her new colleagues. The ghost of much-loved former colleague Cassie Stuart looms large over the team, and Jessica knows there will be big shoes for her to fill.

And at 10PM, season 3 of Van der Valk on Masterpiece begins! Piet Van der Valk has risen to be commander of the CID Division, but he is determined to be more directly operational than his rank requires. As much a maverick as ever, Van der Valk brings his own unorthodox and individual style to every investigation.

All episodes of Professor T, Unforgotten on Masterpiece, and Van der Valk on Masterpiece will be available to stream on the PBS App with PBS KVIE Passport the night of their broadcast premieres.

American Masters: Jerry Brown – The Disrupter

September 15 at 9PM

Examine the political and personal journey of Jerry Brown, the longest-serving governor in California history. First elected at 36 years old and again at 72, explore Brown’s 50-year career as a natural disrupter. His record of forward-thinking policy making on issues such as inequality and climate change, among many others, serves as a source of inspiration in our troubled times.

---

**Benefit from tax-smart giving through your IRA.**

**Gift your RMD before December 31**

**Give from your IRA at age 73**

If you’re age 73 or older, you must take RMDs (required minimum distributions) from your retirement accounts. These distributions count as taxable income. You can transfer your RMD directly to PBS KVIE and avoid the tax.

**Give from your IRA at age 70½+**

Even though RMDs don’t start until age 73, direct donations from your IRA are allowed beginning at age 70½. You can make a QCD (qualified charitable distribution) from your account to PBS KVIE and other charities up to a maximum of $100,000 per year.

**Add PBS KVIE as an IRA, 401(k), or 403(b) Beneficiary**

Many people like to include a charitable gift in their will. A tax-smart strategy is to leave part of an IRA, 401(k), or 403(b) account to PBS KVIE. Why is this smart? Heirs (excluding spouses) must withdraw all the funds – and pay the taxes – within 10 years. Any part left to a nonprofit like your PBS station, KVIE, is exempt from these taxes.

**PBS KVIE’s Federal Tax ID is 94-1421463.**

Contact Colleen Schulman at 916-641-3595 or legacy@kvie.org for more information about these options and other tax-smart ways to give.

Please be sure to consult a qualified professional advisor regarding your planning.

American Masters: A Song for Cesar
September 29 at 10PM
Discover a unique perspective of the life and legacy of Cesar Chavez and the farmworker movement: the previously untold story about the musicians and artists of the movement. Joan Baez, Maya Angelou, and Carlos Santana, among others, dedicated their time, creativity, and even reputations to peacefully advance Chavez's movement to gain equality and justice for America's suffering farmworkers. This documentary also explores other facets of Chavez's life – from childhood to his final days – revelations that, until now, have not been shared on screen.
