American Masters: Mae West – Dirty Blonde

March 11 at 9PM

Dive into the life and career of groundbreaking writer, performer, and subversive star Mae West. Over a career spanning eight decades, she broke boundaries and possessed creative and economic powers unheard of for a female entertainer in the 1930s. Tune in to the first major documentary film to explore West's life and career as she "climbed the ladder of success wrong by wrong" to become a writer, performer, and agitator for social change.

Facing the Laughter: Minnie Pearl

March 14 at 9:30PM

Get a look into the life of country music comedian Sarah Cannon and her better-known alter ego, Minnie Pearl. From Cannon's first stage performance as her rural Southern hillbilly character in 1939 to appearances at the Grand Ole Opry for more than 50 years and on the TV show Hee Haw from 1969 to 1991, the Nashville-born performer made Pearl a household name.

Sunday Night Dramas

Sunday nights are sizzling again with the return of *Call the Midwife* and two exciting new shows we can't wait to dive into.

Kick off season 13 of *Call the Midwife* on March 17 at 8PM. Nonnatus House is as busy as ever with a new pupil midwife training program and plenty of patients in need of extra care, including a pregnant woman whose new flat is infested with mold and a newborn with bilateral hip dysplasia.

At 9PM, get ready for the newest *Masterpiece* drama, *Nolly*. Delve into the story of Noele "Nolly" Gordon, one of the most famous faces on British TV in the 1960s and '70s, whose unceremonious firing from her hit show at the height of her career was front-page news. Helena Bonham Carter plays the resilient soap star to the hilt.

Alice & Jack on Masterpiece, a love story for the ages, premieres at 10PM. Andrea Riseborough and Domhnall Gleeson star as Alice and Jack, who are bound by a connection so powerful when they first meet it seems nothing can break it. But will their path lead them to a place of happiness and togetherness? Find out on Sundays at 10PM!

Binge every episode of the first season of *Nolly* on *Masterpiece* and *Alice & Jack on Masterpiece* with Passport the night of their premieres. Visit **kvie.org/passport** to learn more.

American Experience: The Cancer Detectives

March 26 at 9PM

In the 1950s, cervical cancer was often asymptomatic until it was well advanced, and by that time, it was often a death sentence. Discover how the work of three fascinating figures – a Greek immigrant and his wife, a famous Japanese American illustrator who was detained in a World War II internment camp, and a groundbreaking Black female surgeon - slashed death rates of this previously unfightable cancer by more than 60 percent.

NOVA: A.I. Revolution

March 27 at 9PM

With the rise of ChatGPT, the world has been transfixed by the power and potential of the latest generation of artificial intelligence. Tools like ChatGPT seem to think, speak, and create like humans. But what are they really doing? From cancer cures to Terminator-style takeovers, explore what A.I. can - and can't - do today and how humanity can avoid the worst potential impacts of powerful technologies.

Mr. Bates vs. The Post Office on Masterpiece April 7 at 9PM

Discover a David vs. Goliath fight for the ages. When money started to seemingly disappear from its local branches, the government-owned Post Office wrongly blamed its own managers for its apparent loss, destroying lives and reputations.

A few simple steps today will give you peace of mind tomorrow

Plan for your legacy now

By preparing a plan, you're safeguarding more than just matters of finances and inheritance. You're also guiding future health decisions, providing for loved ones, and creating your legacy. Your estate plan can also provide support to the charitable causes that matter most to you.

Join other PBS KVIE supporters in getting started today!

Request a copy of the guide at **kvie.org/estateplanning**. For more information, contact Colleen Schulman at **916-641-3595** or **legacy@kvie.org**.
