A little about a long-standing local travel company...

In 1979, a new travel company was born in Sacramento. Originally known as **Sports Travel**, we took fans to baseball games in Oakland and San Francisco. Later, as our travelers asked us to take them to other destinations, we became **Sports Leisure Travel**, and finally, in 1998 **Sports Leisure Vacations**.

Did you know less than 1% of all businesses make it past 40 years? We have done our best to honor your 45 years of support, and regularly invest in our community. Besides **Broadway Sacramento, The Music Circus and Public Television (KVIE Channel 6)**, we proudly share our profits by supporting dozens of local charities and arts organizations. Does the company you travel with support **our** community?

When you call us on the phone (during business hours), we answer. We don't have a "bot" deflecting calls. We aren't a big, over-stuffed, on-line travel company. We are local folks who have proudly built a following over three generations, selling tour packages we create ourselves. Same Owner for 45 years. Same President for 31 years. Many longtime staff members. There is no substitute for experience. It's been a wonderful journey, and here's to **OUR** future together!

"PBS KVIE Passport is not working correctly after my donation was made."

– J.S., Lodi, CA

There are a few possibilities, but in all cases, we want you to be able to watch PBS KVIE Passport as a benefit of your generous support. Remember, Passport is a member benefit, so when you renew your membership, the benefit should continue with no changes. One possibility that might be keeping Passport from working is the accidental creation of a new account when you renew on our website. If you notice a member account number change or you're getting more than one OnSix Guide, a new account may have been mistakenly created. Email us at member@kvie.org if you have any questions.

Nature: Grizzly 399 – Queen of the Tetons

May 8 at 8PM

See how Grizzly 399, the most famous bear of Grand Teton National Park, has become a symbol of the conflict between people and bears amid a warming climate and human encroachment. The stakes are higher than ever as the states of Wyoming, Idaho, and Montana seek to remove grizzlies from the endangered species list – which would make it legal to hunt them before bears from different gene pools could interbreed.

Spring into Sunday Night Drama

April showers bring May flowers, but what do May flowers bring? Drama on PBS KVIE!

First up is the season finale of *Call the Midwife* on 5/5 at 8PM. Miss Higgins receives an unexpected visitor, and Poplar votes for its Mother of the Year.

New family drama *MaryLand on Masterpiece* begins 5/5 at 9PM. Two estranged sisters reunite to unearth the truth about their mother's sudden death and her double life on the Isle of Man. More a family drama than a murder mystery, this compelling tale of two siblings opening up to each other stars Suranne Jones, Eve Best, and Stockard Channing.

The third and final season of *Guilt on Masterpiece* continues on Sundays at 10PM until the gripping finale on 5/19. The hapless Max and Jake return for more adventures in the Scottish Highlands and Edinburgh. The brothers have a plan for final victory, but so does everyone else.

Watch all three episodes of *MaryLand on Masterpiece* starting on the night of its broadcast premiere with PBS KVIE Passport. All episodes of *Guilt on Masterpiece* will be available to stream with PBS KVIE Passport the evening of 4/28.

American Experience: The Riot Report

May 21 at 9PM

Revisit July 1967, when a police raid of an illegal, after-hours club in a predominantly Black section of Detroit sparked racial unrest the likes of which Americans had never seen. Prolonged and violent rampages paralyzed the city and left 43 people dead and more than 2,000 buildings burned to the ground. President Lyndon Johnson appointed a commission to figure out why similar disturbances had been spreading across the country.

Believe in Better.

Better health takes more than health care.

Research shows that by taking care and innovation beyond hospital and clinic walls, we can take community health to unprecedented levels. After all, health is bigger than the medicines we take and procedures we receive. It's having access to fresh healthy food, having the opportunity to work fulfilling careers — and supporting neighbors like family.
