**IF WE CAN HELP KIDS GROW HEALTHY,
LET'S GROW HEALTHIER FOOD.**

Believe in Better.

Better health takes more than health care.

Research shows that factors outside of the care we receive, including access to fresh food and community support systems, account for 80% of our health.

It's why we invest in farm-to-fork initiatives, creating 6,500 healthy, locally sourced meals for our hospital patients, employees, and visitors each day. We also support the River City Food Bank's Arden location, allowing them to serve an average of 1,100 households every week.
