Benefit from tax-smart giving through your IRA.

Gift your RMD before December 31

Give from your IRA at age 73

If you're age 73 or older, you must take RMDs (required minimum distributions) from your retirement accounts. These distributions count as taxable income. You can transfer your RMD directly to PBS KVIE and avoid the tax.

Give from your IRA at age 70½+

Even though RMDs don't start until age 73, direct donations from your IRA are allowed beginning at age 70½. You can make a QCD (qualified charitable distribution) from your account to PBS KVIE and other charities up to a maximum of \$108,000 in 2025.

Add PBS KVIE as an IRA, 401(k), or 403(b) Beneficiary

Many people like to include a charitable gift in their will. A tax-smart strategy is to leave part of an IRA, 401(k), or 403(b) account to PBS KVIE. Why is this smart? Heirs (excluding spouses) must withdraw all the funds — and pay the taxes — within 10 years. Any part left to a nonprofit like your PBS station, KVIE, is exempt from these taxes.

PBS KVIE's Federal Tax ID is 94-1421463.

Please be sure your bank includes your name with the check so we can recognize your donation.

Contact Colleen Schulman at 916-641-3595 or legacy@kvie.org for more information about these options and other tax-smart ways to give.

Please be sure to consult a qualified professional advisor regarding your planning.
