Associate General Manager,

Abridged by PBS KVIE and the Friedman family have announced a new partnership to recognize Sacramento region leaders whose public service and civic contributions are making a lasting positive impact.

The Mort Friedman Civic Leadership Award will celebrate an individual who is deeply committed to Sacramento and whose work and leadership have created significant and measurable benefits felt today and for generations to come. Honorees will have demonstrated a strong record of public service, notable civic and community

contributions in Sacramento and the surrounding region and a commitment to advancing the public good.

A fund established by the Friedman family at the Sacramento Region Community Foundation (SRCF) will support the award. Each year, the award recipient will be recognized by PBS KVIE and will direct the fund's annual contribution to the nonprofit or charity of their choice, amplifying their impact on the community they serve.

"My father believed deeply in the power of individuals to make a difference," said Mark Friedman, Mort Friedman's son. "He loved Sacramento and worked hard to strengthen the institutions and civic culture that make it special. Through this award, we hope to honor his legacy by recognizing exceptional leaders whose commitment to service help us build a stronger future."

Members of the public are invited to nominate recipients. Nominations will be accepted until April 30 and can be emailed to rlillis@kvie.org. Each nomination should include:

- The nominee's full name, contact information and current role in the community
- A brief biography or testimonial of the impact the nominee has had on the Sacramento region.
- Contact information for two references who can speak to the nominee's civic contributions.

Mort Friedman, who died in 2012, was a prominent Sacramento businessman, attorney and philanthropist. He was well known for redeveloping Arden Fair mall and for his significant contributions to many of the region's most cherished institutions, including the Crocker Art Museum, the Sacramento Symphony, the UC Davis MIND Institute and the region's Institute for Advancing Unity.

Secrets of the Dead: China's Bronze Kingdom

May 27 at 10PM

See how the chance discovery of a jade artifact in 1929 led to the unearthing of a mysterious city hidden in the mountains of Sichuan — remnants of a kingdom consigned to oblivion for thousands of years. More than 10,000 unusual items have been found at the site, which experts believe may be as archaeologically important as the Terracotta Army of Xi'an. Could this be the capital of the ancient Shu kingdom?

In the transformative summer of 1963, Alphy reconnects with his estranged mother and questions his faith. Geordie considers a promotion that could end his crime-solving partnership with Alphy, and Cathy's career soars. As Leonard discovers his paternal side and Miss Scott faces a life-changing event, the Grantchester family must confront love, loss, and forgiveness one last time. All episodes will be available to stream with Passport starting the night of the premiere.
